CAREER OBJECTIVE

Driven by a passion for using technology to make life easier, I aim to contribute to the development of efficient, user-centered applications and systems that solve meaningful problems. I am committed to applying my skills to build practical solutions that improve everyday experiences. With a strong foundation in software development and a constant desire to learn emerging technologies, my goal is to work in a collaborative environment where innovation and impact are at the core of every project.

ACADEMIC/EDUCATIONAL BACKGROUND

- Bachelor's Degree in Software Engineering
  Kisii University, Kisii
  2023 - Present

- Certificate in Website Development and Deployment
  eMobilis Technology Training Institute (eTTI), Nairobi
  2024

- Certificate in Computer Applications & Digital Literacy
  Kisii University, Kisii
  2023

- Kenya Certificate of Secondary Education (KCSE)
  St. Louis Butula Boys High School, Busia
  2022

- Kenya Certificate of Primary Education (KCPE)
  St. Anne Sega Township Primary School, Siaya
  2018

WORKING EXPERIENCE

Student Developer — Kisii University

2023 – Present

While pursuing my degree in Software Engineering at Kisii University, I have actively engaged in collaborative software development initiatives with fellow students and mentors. Through these projects, I have gained practical experience in full-stack development, problem-solving, and agile teamwork. My involvement in real-world projects has sharpened my ability to build scalable, user-centered solutions that address pressing community needs.

Key projects include:

- GenderEquity Web App: A web-based platform developed to raise awareness and fight against gender-based violence by providing reporting tools, educational content, and support services.

- FiloArtsPlus: An innovative platform for visual artists to display and sell their artwork online, connecting creatives with potential buyers and art enthusiasts.

- Swiftcare Medical App: A hospital management system built to streamline operations, including patient registration, appointment handling, and medical record management, enhancing service delivery in healthcare settings.

AWARDS

- Certificate of participation in Western Region Research and Innovation Consortium (WRRIC) at Kisii University. 2025

- Certificate of Participation in Corporate Social Responsibility at Shikusa Borstal Institution, Kakamega. 2025

- Certificate of Recognition as a dedicated member of Kisii University Guidance and Counseling Club. 2024

- Certificate of completion, 9 Modules of Computer Literacy and Packages at Kisii University. 2023
